# Swing-Spring Combo

## Check Valve

- Combines the benefits of both a spring and a swing check valve; full-flow design--installs in any position
- Quiet—does not chatter
- 15% more flow than comparable spring check valves; eliminates the restriction of a spring center poppet
- UV stabilized—Schedule 40 white or clear PVC
- PSI rating: 150 @ 73° F

Part Number	Material/Color	Swing/Spring Combination Check Valves	Spring Tension	Country of Origin	UM	Carton Qty	Weight	Cube
200-05	PVC/White	1/2" Slip x Slip Check Valve	1/2 lb	China	EA	10	1.65	0.110
